# STINE®
# 9808E-20N *BRAND*

**AgrisureViptera** 3110   **LIBERTY LINK®**

Stine 9808E-20 brand corn features two modes of action for above-ground insect control and is available with nematicide seed treatment to help defend against nematodes. The line performs in variable soil types, responds to higher management practices and works well in all row widths. It features excellent roots and stalks for strong standability and has very good disease protection. For optimum performance, make sure the soil temperature is on the warming trend.

- Proven high-yield potential on highly productive soils
- Performs best at higher planting populations
- Nematicide protection seed treatment

| Relative Maturity Range | 114 - 116 |
|---|---|

| Harvest Population | | GDU |
|---|---|---|
