SOYBEAN PRODUCT DATA

STINE® 14EE13 BRAND

14EE13 brand is a non-SCN resistant line yet demonstrates high-yield potential in a wide range of environments. 14EE13 brand does well against Sclerotinia white mold but offers just average iron deficiency chlorosis protection. 14EE13 brand acts a little later than a 14 maturity, so its movement to the south works well.

DISEASE RESISTANCE

Phytophthora Very Good IDC/Salt Average SDS SWM Good Stem Canker Resistant Frogeye Leafspot Susceptible Root Knot Nematode Susceptible
